Schedule 1

The Conditions

Words and expressions defined in the Deed shall bear the same meanings when used in these Conditions.

Part 1 – Calculation of Repayments of Principal and of Investment Returns.

1. The Issuer shall calculate any amounts payable to the Holders under this Deed in the manner set out in the following sub-paragraphs:

1.1 The First Cash Return Period ends on 31 January 2014. Subsequent Cash Return Periods will be periods of six months following the First Cash Return Period, as set out in the Deed. The Final Cash Return Period ends on the Maturity Date.

1.2 Within 10 weeks of the last day of the each Cash Return Period, the Issuer will calculate its **Operating Surplus**. Its Operating Surplus is the total of:

- a) the sums due to the Issuer as Revenues during any given Cash Return Period; plus
- b) any sum actually received by the Issuer during any given Cash Return Period in relation to rebate or repayment of any Costs incurred during any previous Cash Return Period; less
- c) the Costs incurred by the Issuer in respect of the relevant Cash Return Period.

1.3 The Issuer's **Revenues** for the purpose of the calculation in paragraph 1.2 shall be any sums receivable by the Issuer in respect of the generation or sale of any electricity produced by the Project, including any proceeds received under the Feed-in Tariff Scheme. The **Feed-in Tariff Scheme** means the feed-in tariff scheme operated pursuant to the terms of the Feed-in Tariffs (Specified Maximum Capacity and Functions) Order 2010.

The Issuer's **Costs**, for the purpose of the calculation in paragraph 1.2, shall be the operating costs and expenses of the Issuer (excluding depreciation) incurred in respect of any given Cash Return Period, including but not limited to:

- a) tax liabilities (including any tax liability arising as a result of the receipt by the Issuer of any Revenues),
- b) fees and expenses payable to Abundance or any other third party,
- c) the costs and expenses incurred by the Issuer in the establishment of the Debentures,
- d) any contribution into the Issuer's contingency reserve for meeting any exceptional costs over the life of the Project; plus
- e) a sum equal to any accounting provision established by the Directors during the relevant Cash Return Period.

1.4 The Issuer shall then calculate the **Debenture Share of Operating Surplus** – which is the proportion of the Operating Surplus which is to be applied in repaying Principal or paying Investment Returns and is set out in the Offer Document. For the avoidance of doubt, the Debenture Share of Operating Surplus may be one hundred per cent (100%) of the Operating Surplus where so stated in the Offer Document.

1.5 Such amount of Debenture Share of Operating Surplus shall be first applied to pay the Principal amount due in respect of the immediately preceding Cash Return Period, in respect of which the calculation was performed.

1.6 Repayments of Principal will only be made to the extent that there is a sufficient Debenture Share of Operating Surplus to make them. If it is not possible to make a repayment of Principal in respect of any Cash Return Period, then the obligation to make the payment will be deferred to Subsequent Cash Return Periods until there is sufficient Debenture Share of Operating Surplus to make the repayment. Repayments of Principal will be made in respect of the immediately preceding Cash Return Period in priority to amounts deferred from previous Cash Return Periods in accordance with this paragraph 1.7.

1.7 All Principal is to be repaid not later than the Final Repayment Date.

1.8 If the amount calculated as the Debenture Share of Operating Surplus is more than is required to pay all current or outstanding instalments of Principal, then the additional amount shall be applied to pay an Investment Return for the relevant Cash Period. There shall be no deferment of any payment of Investment Returns; if they are not calculated as payable in respect of any immediately preceding Cash Return Period, they will not be payable at all.

1.9 For the avoidance of doubt, if the amount of the Debenture Share of Operating Surplus calculated in respect of a Cash Return Period is nil or a negative amount then no payment of any nature (whether of Principal or Investment Return) shall be due to the Holders at the end of that Cash Return Period, and the failure to repay Principal (other than on the Final Repayment Date) or to pay Investment Returns in respect of any Cash Return Period because of insufficient Operating Surplus shall not be a default for any purpose under this Deed.

1.10 The Debenture Share of Operating Surplus shall not accrue during any Cash Return Period, but shall only become due and payable within 10 weeks of the end of each Cash Return Period. Therefore any repayment or redemption part way through a Cash Return Period shall only include the Debenture Share of Operating Surplus accrued but unpaid at the end of the previous Cash Return Period.

Part 2

Other Conditions including Redemption or Early Repayment

2. Redemption by the Issuer

2.1 The Issuer shall be entitled at any time following (i) a Change of Control; and/or (ii) a Tax or Regulatory Requirement by issue of a notice (“Notice of Redemption”) to any Holder (or in the case of a Tax or Regulatory Requirement, to any Holder affected by such event) giving not less than 20 Business Days’ notice (which may be given via the Abundance service) of its intention to repay the whole (whatever the amount), or part only of the Principal amount.

Additionally, where (i) a Change of Control applies, the Issuer will pay a further percentage amount of such Principal amount to be determined by an independent valuer appointed in accordance with paragraph 2.2 below (the “Independent Valuer”) on any Debenture registered in that Holder’s name. Subject to giving such notice and upon the expiry of such notice,, the Issuer shall be entitled and bound to pay off that part of those amounts in respect of which such notice of redemption has been given.

2.2 The Independent Valuer shall be determined by the Issuer, acting reasonably, and shall be a firm of Chartered Accountants who have not been engaged by the Issuer to provide professional services to it within a period of 5 years prior to the Issue of the Notice of Redemption. Following the appointment of the Independent Valuer the Issuer shall inform the relevant Holders of their identity as soon as reasonably practicable.

2.3 The Independent Valuer shall determine the percentage of premium payable on top of the Principal amount having regard to all reasonable circumstances including the period of time remaining until the Final Repayment Date. Save in the case of manifest error the decision of the Independent Valuer shall be final and binding on the Issuer and the relevant Holders and any applicable premium shall be paid by the Issuer within 28 days of the date the Issuer is notified of the Independent Valuer’s determination.

2.4 The costs of the Independent Valuer shall be payable by the Issuer.

3. Repayment On Default

Any Holder shall be entitled by notice in writing to the Issuer to require repayment of the Principal payable in respect of each Debenture of which he is the Holder (or any part thereof) upon the happening of any of the following events:

- any failure by the Issuer to pay in full any amount payable to such Holder in respect of the Debentures within 28 Business Days after the due date for its payment; or
- the Issuer failing duly to perform or comply with any obligation (other than an obligation to pay any amount payable in respect of the Debentures) expressed to be assumed by it in this Deed and such failure continues for 7 Business Days after written notice has been given by any Holder requiring remedy of such failure; or
- an effective resolution being passed or an order being made for the winding up or dissolution of the Issuer (other than (a) a voluntary winding up for the purposes of amalgamation or reconstruction or liquidation under which a successor or successors undertake(s) the obligations of the Issuer under the Debentures; or (b) a members’ voluntary winding up on terms previously approved by a Special Resolution); or

- an encumbrancer (being a person enforcing an encumbrance as defined in Schedule 3) taking possession of, or a trustee, receiver, administrator or similar officer being appointed or an administration order being made in respect of, the Issuer or the whole or substantially the whole of the property or undertaking of the Issuer and such person not being paid out or discharged within 20 Business Days; or
- if the Issuer proposes, makes or is subject to an arrangement or composition with its creditors generally, an application to a court of competent jurisdiction for protection from its creditors generally or a scheme of arrangement under Part 26 of the Companies Act 2006 (other than in the latter case for the purpose of a solvent voluntary reconstruction or amalgamation); or
- if the Issuer is insolvent for the purposes of section 123(1) (e) or section 123(2) of the Insolvency Act 1986, whereupon the nominal amount of such Debentures shall forthwith become immediately payable; or
- the Issuer ceasing to carry on the business it carries on at the date of this Deed or a substantial part of such business; or

- it is or becomes or will become unlawful for the Issuer to perform or comply with any of its obligations under this Deed, or any such obligation is not or ceases to be legal, valid and binding.

3.2 The Issuer shall as soon as practicable notify the Holders of the happening of any of the events specified in this Condition.

4. Purchase

The Issuer may at any time by agreement with the relevant Holder purchase any Debentures at any price by tender, private treaty or otherwise.

5. Cancellation

6.5. The Issuer, or Abundance on its behalf, may require reasonable evidence that a proposed transfer is exempt from or not subject to a registration or similar requirement in the United States or any other jurisdiction outside the United Kingdom and is not to, or for the benefit of, a Restricted Person.

6.6. The Issuer may require redemption of any Debenture that reasonably appears to it to be held by, or for the benefit of, a Restricted Person.

6.7. For the avoidance of doubt, references to a “US Person” include those who are US Persons for the purposes of US tax law or US securities laws. The Issuer may reasonably determine whether a person acquiring or holding Debentures is a US Person or a Restricted Person in accordance with applicable law at the time it makes such determination (but summaries of the relevant requirements at the date of this Deed are provided in Conditions 6.8 to 6.9).

6.8 For the purposes of United States tax law, a summary of the definition of “US Person” is:

6.8.1 a citizen or resident of the United States

6.8.2 a US domestic partnership

6.8.3 a US domestic corporation

6.8.4 any estate other than a foreign estate

7. Modification of Rights

7.1 The provisions of this Deed (including the Conditions, the Provisions and the content of any Schedules) may from time to time be modified, abrogated or compromised in any respect by the Issuer with the sanction of a Special Resolution or in accordance with this Condition 7.

7.2 Subject to Condition 7.3, where the Offer Document permits the Issuer to extend, restrict or modify the period during which the Debentures are available for subscription (and only in such circumstances) the Issuer may (by deed expressed to be supplemental to this Deed) make such amendments as it reasonably considers necessary to reflect such extension, modification and restriction including (but not limited to) changing the dates for First Cash Return Periods or Subsequent Cash Return Periods (including the dates on which they begin and end) and/or or the date given as the Final Repayment Date.

7.3 The Issuer may only make such amendments as are referred to in Condition 7.2 where it is reasonably satisfied (i) that it is necessary to do so in order to reflect any such changes as are referred to in Condition 7.2; and (ii) that Holders are not materially prejudiced by such amendments which reflect the same economic basis on which the Debentures are offered in the Offer Document. Without limitation, the Issuer shall not, by virtue of Condition 7.2, be entitled to change the frequency of Cash Return Periods, the method of calculation of repayments of Principal and Investment Returns set out in these Conditions or any Reserved Matters in Schedule 3 or any periods specified in Clause 3.

7.4 Additionally, the Issuer may also amend any provisions of this Deed including the Conditions, the Provisions or any of the Schedules, by supplemental deed expressed to be supplemental to this Deed where, in the opinion of the Issuer's legal advisers, the amendment is considered to be of a formal, minor or technical nature or to be necessary to correct a manifest error.

8. Alternative Service Provider

8.1 If for any reason, Abundance ceases to provide the Abundance Service and it is not provided by the Back-up Service Provider or Abundance ceases to maintain the Register or there is any other material change to the nature of the Abundance Service or the involvement of Abundance which has a material effect on any matter relating to the Debentures, then for the avoidance of doubt the obligations of the Issuer will remain valid and binding subject to Condition 8.2.

8.2 In the circumstances set out in Condition 8.1, the Issuer shall make such arrangements as it reasonably considers appropriate, may amend (but only so far as is reasonably necessary to incorporate the revised arrangements) and shall take reasonable steps as soon as practicable to inform the Holders of any changes to:

- 8.2.1 the arrangements for maintaining the register;
- 8.2.2 the procedures for making payments (but not the amount of any payment or how such amount is calculated);
- 8.2.3 the procedures for transfer (including acceptance of any instrument in common standard form); and/or
- 8.2.4 how notices can be given to Holders.

Schedule 2 – Meetings of holders

1. The Issuer may (and will on the request in writing of a person or persons holding not less than 10% of the aggregate Principal) convene a meeting of the Holders. Any such meeting shall be held at the registered office of the Issuer or such other convenient place as the directors of the Issuer may decide.

2. At least 14 days' notice, or when the meeting is being convened for the purpose of passing a Special Resolution at least 21 days' notice, of every meeting shall be given to the Holders. The notice shall specify the place, date and time of meeting and the general nature of the business to be transacted, but except in the case of a Special Resolution it shall not be necessary to specify in the notice the terms of any resolution to be proposed. The accidental omission to give notice to or the non-receipt of notice by any of the Holders shall not invalidate the proceedings at any meeting.

3. At any meeting Holders present in person or by proxy holding or representing 50% of the aggregate Principal shall form a quorum for the transaction of business except for the purpose of passing a Special Resolution. The quorum for passing a Special Resolution shall be Holders present in person or by proxy holding or representing 75% of the aggregate Principal.

No business (other than the election of a chairman) shall be transacted at any meeting unless the necessary quorum is present at the commencement of business. If within half an hour from the time appointed for the meeting a quorum is not present the meeting if convened upon the requisition of Holders shall be dissolved. In any other case it shall stand adjourned to such day and time not being less than 7 days thereafter and to such place as may be decided by the chairman and at such adjourned meeting the Holders present in person or by proxy and entitled to vote whatever their number and whatever the Principal Sum held by them shall be a quorum for the transaction of business including the passing of Special Resolutions. At least 3 days' notice of any adjourned meeting of Holders at which a Special Resolution is to be submitted shall be given in the same manner as for the original meeting and the notice shall state that the Holders present at the adjourned meeting whatever their number and whatever the aggregate Principal amount of the Debentures held by them will form a quorum.

4. The chairman of the Issuer shall preside at every meeting, but or if he is not present within 5 minutes after the time appointed for holding the meeting or is unwilling to act, the Holders shall choose one of their number to be chairman. Any director, the secretary, the auditors of the Issuer and the solicitors of the Issuer and any other person authorised to do so by the Issuer may attend any meeting.

5. The chairman may, with the consent of any meeting at which a quorum is present, and shall, if so directed by the meeting, adjourn the meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place.

6. At any meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless a poll is (before or on the declaration of the result of the show of hands) demanded by the chairman or by one or more Holders present in person or by proxy and holding or representing not less than 10% of the aggregate Principal. Unless a poll is so demanded a declaration by the chairman that a resolution has been carried or carried unanimously or by a particularly majority or lost shall be conclusive evidence of the fact, without proof of the number or proportion of the votes recorded in favour of or against such resolution. If a poll is duly demanded it shall be taken forthwith or at such time and in such manner as the chairman may direct, and the result of such a poll shall be deemed to be the resolution of the meeting at which the poll was demanded.

7. In the case of an equality of votes whether on a show of hands or on a poll the chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a casting vote in addition to the vote or votes (if any) to which he may be entitled as a Holder.

8. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.

9. On a show of hands every Holder who is present in person shall have one vote and on a poll every Holder who is present in person or by proxy shall have one vote for every £1 or part thereof of the Principal of which he is the Holder.

10. In the case of joint registered holders of Debentures, the vote of the senior who tenders a vote whether in person or by proxy shall be accepted to the exclusion of the votes of the other joint holders and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the joint holding.

11. On a poll votes may be given either personally or by proxy and a Holder entitled to more than one vote need not use all his votes or cast all the votes he uses in the same manner.

15. An instrument appointing a proxy may be in the usual or common form or in such other form as the directors may from time to time prescribe or accept and need not be witnessed. The proxy shall be deemed to confer the right to demand or join in demanding a poll. A proxy shall unless it states otherwise be valid for the meeting to which it relates and for any adjournment of that meeting.

16. Any Issuer or corporation which is a registered holder of any of the Debentures may by resolution of its directors or other governing body authorise any person to act as its representative at any meeting of the Holders, and such representative shall be entitled to exercise the same powers on behalf of the Issuer or corporation which he represents as he would be entitled to exercise if he was himself the registered holder of such Stock. A Issuer or corporation attending by such a representative shall be deemed to be present in person.

17. A meeting of the Holders shall have the following powers exercisable by Special Resolution:

17.1 power to sanction any modification or compromise or any arrangement in respect of the rights of the Holders against the Issuer, whether such rights arise under this Deed or otherwise;

17.2 power to assent to any modifications of the Conditions to which the Debentures are subject and/or of the provisions contained in this Instrument proposed or agreed to by the Issuer;

17.3 power to sanction any agreement for postponing or advancing the time for the making of any payment under this Deed or for changing the basis on which any payments are to be calculated or for the capitalising of any amount that would otherwise be payable;

17.4 power to appoint any persons (whether Holders or not) as a committee to represent the interests of the Holders and to confer upon such committee any powers or discretions which the Holders could themselves exercise;

17.5 power to sanction the exchange of the Debentures for or the conversion of the Debentures into shares, stock, debentures or other obligations or securities of the Issuer or any other Issuer formed or to be formed;

17.6 power to give consent to any of the Reserved Matters in Schedule 3.

18. Every other matter to be determined at a meeting of Holders shall be decided by Ordinary Resolution.

19. A resolution passed at a meeting of the Holders duly convened and held in accordance with this Deed shall be binding upon all the Holders whether or not present at the meeting and each of the Holders shall be bound to give effect to it accordingly.

20. The expression 'Ordinary Resolution' means a resolution passed at a meeting of the Holders duly convened and held in accordance with the provisions contained in this Instrument and carried by a simple majority of the votes cast upon a show of hands or on a poll.

22. A resolution in writing signed by all the Holders together holding not less than 75% of the aggregate Principal Sum shall for all purposes be as valid and effective as an Ordinary Resolution or Special Resolution as the case may be passed at a meeting duly convened and held in accordance with the provisions contained in this Instrument. Any such resolution in writing may be contained in one document or in several documents in similar form each signed by one or more Holders and the effective date of any such resolution shall be the date of the last signature to it
