8.2 The making of any repayment of Principal (including any Deferred Amounts) or its deferral following the end of any Cash Return Period (other than the Final Repayment Date) depends on the amount of Relevant Surplus of the Project and the Reserve in that Cash Return Period. As soon as is reasonably practicable following the end of each Cash Return Period, the Issuer shall perform the calculation of its Relevant Surplus in accordance with Schedule 1 (Calculations) and the Reserve, to determine what (if any) repayment of Principal is required to be made in respect of that Cash Return Period at that time.

9.4 The making of any payment of Interest (including any Deferred Amounts) or its deferral following the end of any Cash Return Period (other than the Final Repayment Date) depends on the amount of Relevant Surplus of the Project and the Reserve in the relevant Cash Return Period. As soon as is reasonably practicable following the end of each Cash Return Period, the Issuer shall perform the calculation of its Relevant Surplus in Schedule 1 (Calculations) and the Reserve, to determine what (if any) payment of Interest is required to be made in respect of that Cash Return Period at that time.

9.5 If because there is sufficient Relevant Surplus or Reserve in a Cash Return Period (on the basis of the calculations referred to in clause 9.4), the Issuer determines that it is required to make a payment of Interest in respect of that Cash Return Period, the Issuer shall make that payment within ten weeks of the end of that Cash Return Period.

9.6 If due to both insufficient Relevant Surplus or Reserve in a Cash Return Period (on the basis of calculations referred to in clause 9.4), the Issuer determines that no payment of Interest is required to be made in respect of that Cash Return Period or the amount of Relevant Surplus and Reserve available for such payment is less than the amount required under clause 9.3, the Issuer's liability to pay such shortfall of Interest (a "**Deferred Amount**") will be treated as not having fallen due and shall be deferred and become due and payable by the Issuer on the earlier of: (i) the date falling 10 weeks after the end of the next Subsequent Cash Return Period in which the Issuer has determined (on the basis of the calculations referred to in clause 9.4) that there is sufficient Relevant Surplus or Reserve to make that payment; (ii) the date falling twelve months from the date on which it would have been due and payable if not first deferred under this clause; (iii) the date that all payments under this Deed are accelerated under clause 15.3.1 after an Event of Default; or (iv) the Final Repayment Date.

9.7 Any Deferred Amount shall bear Additional Interest in accordance with clause 10.

10.2 In respect of each Cash Return Period, the Issuer shall pay Additional Interest on Deferred Amounts outstanding during that Cash Return Period, within 10 weeks of the end of such Cash Return Period except that, if there is insufficient Relevant Surplus or Reserve (in accordance with the Issuer's calculations in Schedule 1) for that Cash Return Period to make such payment in full, such shortfall may be deferred on the same basis as applicable to payments of Principal and Interest in accordance with clauses 8 and 9 save that any deferred Additional Interest will not itself bear Additional Interest.

10.3 Additional Interest shall accrue on a daily basis and on the basis of a 365 day year.

10.4 All due but unpaid Additional Interest (including any Deferred Amounts) shall be payable in accordance with 10.2 and by no later than the Final Repayment Date.

11 Payments

11.1 All payments owing to Holders under this Deed are subject to clause 7 of the Agency Agreement including, without limitation, provisions detailing the priority of payments under this Deed.

11.2 Subject to the Agency Agreement, the Issuer may, at any time, make any payment of any Deferred Amount(s) or Additional Interest in advance of its due date, provided that there is sufficient Relevant Surplus to do so (with the effect that it may make such payments in priority to any Costs other than amounts due to the Agent (as described in paragraph 1.5 (c) of Schedule 1 (Calculations))).

11.3 Subject to clause 1.7 of Schedule 1 (Calculations), if there is either:

11.3.1 a shortfall in Relevant Surplus for the Issuer to make any required payment to Holders under clauses 8 to 10 (inclusive) of this Deed; or

11.3.2 at the time of making any required payment to Holders under clauses 8 to 10 (inclusive) of this Deed, there is less cash freely available to the Issuer than the amount of Relevant Surplus available to make that payment,

(each such shortfall in Relevant Surplus or cash in the sub-clauses above, being a “**Relevant Shortfall**”), the Issuer shall make that required payment out of the Reserve in an amount no greater than the Relevant Shortfall.

Each Notice of Redemption will specify the date for the proposed redemption.

12.2 Following the Notice of Redemption, on the date specified for redemption, the Issuer will redeem the affected Debentures and repay the Principal of those affected Debentures together with any accrued Interest and/or Additional Interest then owing in relation to those affected Debentures.

12.3 Where the Issuer has issued a Notice of Redemption in respect of a Change of Control, the Issuer will pay a further percentage amount of such Principal amount calculated and verified by the Independent Valuer, being a percentage of premium payable in addition to the Principal amount having regard to all reasonable circumstances including the period of time remaining until the Final Repayment Date and amount of Interest that would have been payable but for early redemption, discounted to present value in a commercially reasonable manner.

12.4 By no later than the end of the notice period specified in the Notice of Redemption, the Issuer (acting reasonably) shall have appointed the Independent Valuer which shall be a firm of Chartered Accountants who have not been engaged by the Issuer to provide professional services to it within a period of 5 years prior to the Issue of the Notice of Redemption. Following the appointment of the Independent Valuer the Issuer shall inform the relevant Holders of the identity of the Independent Valuer as soon as reasonably practicable.

12.5 Save in the case of manifest error, the verification of the calculation by the Independent Valuer shall be final and binding on the Issuer and the relevant Holders and any applicable premium shall be paid by the Issuer within 28 days of the date the Issuer is notified of the Independent Valuer's confirmation.
